2010 ADVERTISEMENT PRODUCTION SCHEDULE

Due to the printer's production requirements for *International Record Review* some publication dates are somewhat extended, although this does mean we are even more up to date. With the usual amalgamated July/August issue we will be able to bring the publication dates back into line with the last or penultimate Friday in the preceding month. Detailed here are the relevant dates for advertisement space and production.

Should you have any queries please contact Barry Irving (barry.irving@recordreview.co.uk)
